

SWING INTO ACTION

SWING AWAY ACCESSORY

Turn your Saris hitch rack into a swing away with this hitch rack accessory. Featuring 90° of pivot, the Swing Away Accessory gives you free and clear hatch access without removing your bikes. Designed to handle up to 250 lb. of bike weight, the Swing Away Accessory is compatible with our most popular hitch racks – including the Freedom and SuperClamp platform hitch racks. Convenient and built-in carrying handles make it easy to maneuver and install, while the included Hitch Tightener ensures secure travels down the road. For those times when only a swing away will do, there's the Saris Swing Away Accessory.

- Swings away to 90° for full vehicle hatch access.
- For use with 2" receivers only.
- Weight capacity: 250 lb. (rack, plus bikes).
